

Announcements for Sunday, March 30th, 2025

Welcome! Here is a quick look at some of the upcoming days and weeks in the life of the Church.

We invite you to walk with Jesus and see him in a new way during this season of Lent. Jesus the Stranger leads us on this journey, offering a fresh lens through which to see Christ. Focusing on his humanity – especially his experiences of suffering, rejection, and isolation – this Lenten series helps us relate our own struggles and humanness to his.

This is a great time to come see what the Church is all about. We'll be looking for you! This Sunday's message is titled, "True Christian Discipleship" and is based off of John 6:25-57.
