

Shane Lovvorn: Missional Pastor

Shane has over 30 years of experience in ministry. Most of those years, in ministry have been with young people. He has spent a great deal of his ministry outside the walls of the church as well. Shane feels called to minister to those outside the church. He has spent many years in the schools and serving for the YMCA and other para- church organizations. He has missionary friends serving all over the world, including China, Afghanistan, Rwanda, Central America, Russia, and the Dominican Republic.

Now we send Shane out as a missionary pastor to the Fellowship of Christian Athletes.

Since Shane was introduced to FCA as an 8th grade basketball player, Shane served as Chaplain from 8th grade until graduation. Shane's parents hosted huddles in their home. Now after thirty years of ministry, God has allowed Shane to come work as an Area Representative in Coweta County, GA.

Shane married his high school sweetheart, Judi. They have three adult children and one wonderful daughter-in-love. Shane has served as chaplain, lay coach and has volunteered with many communities in GA. Shane is excited and looking forward to helping coaches and athletes become who God has called them to be as Christ followers.
